The Login Scene

Logging In

If you have a registered account, simply input your username into the *username* textbox, and your password into the *password* textbox. Click the *Login* button and you will be navigated to the *My Events* scene.

If you do not already have a registered account, click on the *Signup* button to navigate to the SignUp screen.

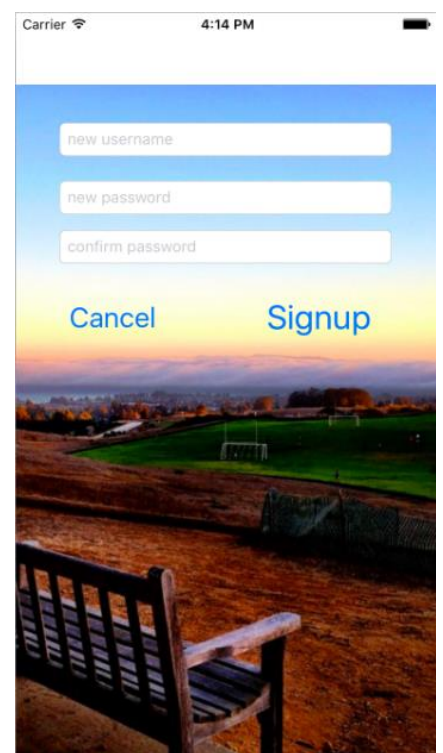

Signing Up

Once there, input your UCSC email address into the text box labeled *new username*. This will be your username. Next, create your password by typing it into the textbox labeled *new password* and *confirm password*. Now click the *Signup* button.

If your email ends in @ucsc.edu and your two passwords match, you will be navigated back the login scene. Otherwise you will be prompted with an appropriate error message

At any time you can cancel signing up and navigate back to the Login Scene by pressing the *Cancel* button.

The Home Screen

Upon selecting the middle *Events* button in the bottom navigation bar, you will be navigated to the main *Events* scene. From here you can view events and navigate to all other areas within the application.

The Navigation Bar

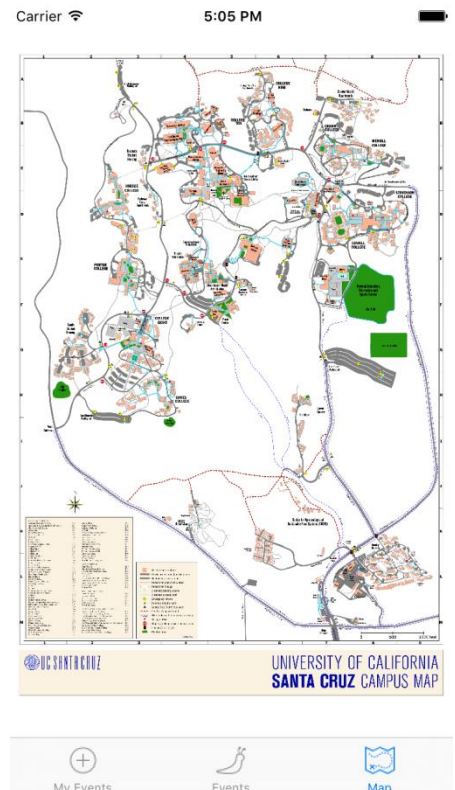

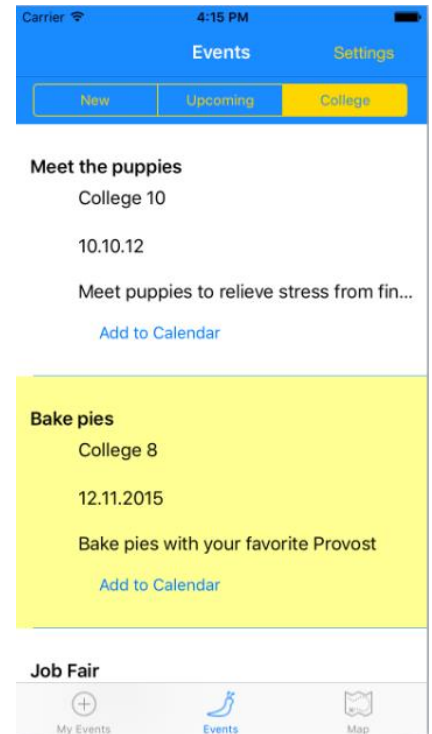

Along the bottom of the screen is the navigation bar. At any time you can come back to the Home Screen by pressing the middle *Events* button. To view your events as a registered administrator, press the leftmost *My Events* button. To view the UCSC campus map, press the rightmost *Map* button. Pressing the *Settings* button on the top right will take you to your phone's settings.

Sorting Events

Along the top of the home screen are three buttons, *New*, *Upcoming*, and *College*. Pressing *New* will display all events beginning with the most recently published. Pressing *Upcoming* will display all events beginning with those occurring at the earliest date. Selecting *College* will sort all events by affiliated college, in alphabetical order. Note, you must pull down the list to refresh the display after selecting a new sorting option.

Adding to Calendar

If you are interested in an event and want to save the event to your phone, press the *Add to Calendar* button. This will add the event to your phone's calendar.

Upon clicking
the *Map* button

My Events

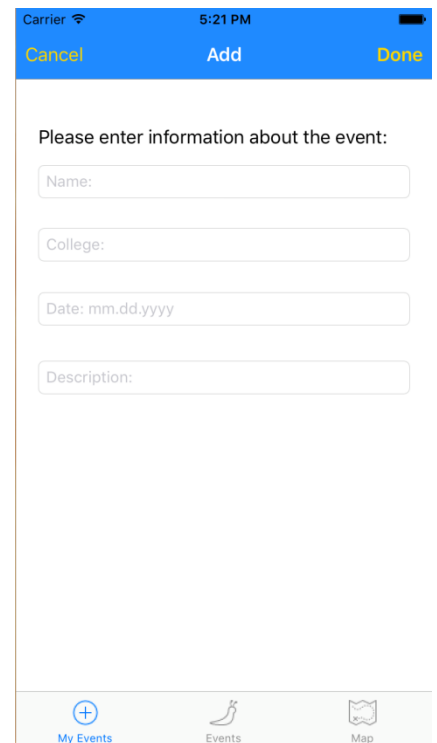

Selecting the leftmost *My Events* button on the bottom tab bar will navigate you to your My Events Scene. From here you can view all of your published events. If you wish to add a new event, simply click the *Add* button in the upper right corner, which will navigate you to the Add Event Scene.

If you wish to edit an event that you have already published, click the arrow on the right of the event that you wish to edit. This will navigate you to the Edit Your Post Scene (See next page).

Note that you must be a verified event administrator to have permission to post events. A regular student account will not allow the user to add events, disabling the upper right *Add* button.

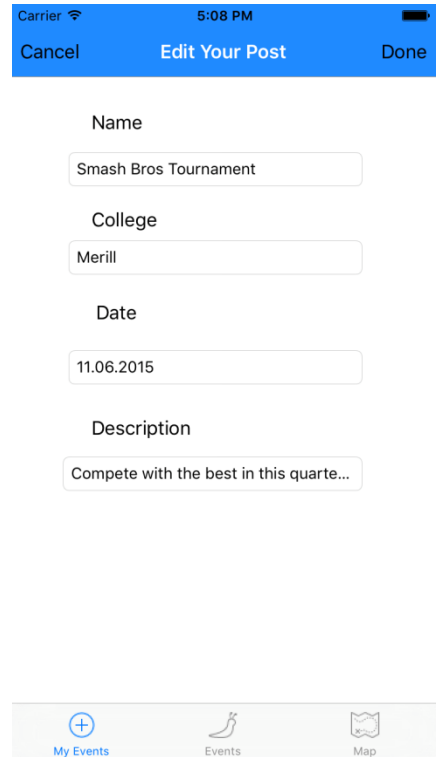

Once in the Add Scene, simply input your new events name, college, date, and description within the appropriate text fields. To upload the event to the application, click the *Done* button in the upper right corner. At any time you can cancel and go back to the My Events Scene by clicking on *Cancel* in the upper left corner.

Editing an Event

Once in the Edit Your Post Scene, you will see all information about your event is automatically inserted in the appropriate text fields. To change any information, simply type the new text in the appropriate text field and press the *Done* button in the upper right corner. This will save all changes made to the event and navigate you back to the My Events Scene. At any time if you wish to return to the original post, simply click *Cancel* in the upper left corner to be navigated back to the My Events Scene.

The screenshot shows a mobile application interface for editing an event. At the top, a blue header bar contains the status 'Carrier' with a signal icon, the time '5:08 PM', and a battery icon. Below the header, three buttons are visible: 'Cancel' on the left, 'Edit Your Post' in the center, and 'Done' on the right. The main content area is white and contains four text input fields. The first field is labeled 'Name' and contains the text 'Smash Bros Tournament'. The second field is labeled 'College' and contains the text 'Merill'. The third field is labeled 'Date' and contains the text '11.06.2015'. The fourth field is labeled 'Description' and contains the text 'Compete with the best in this quarte...'. At the bottom of the screen, there is a light gray navigation bar with three icons: a blue circle with a white plus sign labeled 'My Events', a gray icon of a person running labeled 'Events', and a gray icon of a map labeled 'Map'.
